

MAKING MITZVAH

Service Project Ideas for your Bar and Bat Mitzvah

The Painted Turtle is more than a summer camp – it's a place where children with serious medical conditions can just be kids. Children with chronic and life-threatening illnesses arrive looking for a normal camp experience, and what they find is inspiring confidence and a feeling of acceptance that lasts long after they head home. For many campers, their one week at camp is the best time of the year. For their families, we provide unparalleled care, education, and well-needed respite. All programs are *completely free of charge*.

On your special day learn, support, and teach others about giving children with serious illnesses the opportunity to celebrate life and **just be kids!**
